LinkedIn: www.linkedin.com/in/panat-lcckl/ | **GitHub:** <https://github.com/ZeLeaj>

EDUCATION

Chulalongkorn University, Thailand

Aug 2024 - Present

Bachelor of Engineering in Computer Engineering | GPAX: 3.53/4.00

Expected Graduation: July 2028 | Second Class Honours Candidate

CERTIFICATIONS & TRAINING

APIE Core Course Batch #08

Jan 2026 - May 2026

- Acquired foundational knowledge in **OSI & TCP/IP models**, **Client-Server architectures**, and **IP allocation**.
- Gained hands-on academic experience in configuring **DHCP**, **OSPF routing**, and **DNS servers (BIND)**.

PROJECTS

RachaDB (Final 2110322 DB SYS Project)

April 2026

- Spearheaded the end-to-end design and implementation of a **relational database system**, utilizing **ER diagrams** and normalization to ensure data integrity while **developing optimized SQL** stored procedures and functions refined through rigorous execution path analysis.

GotCooked! (Overcooked-inspired game)

May 2025

- Designed and developed a **JavaFX**-based game in Java using object-oriented programming (**OOP**) principles.
- Implemented a hitbox-based collision detection system using **Axis-Aligned Bounding Box (AABB)** to enable **real-time player-object interactions**.
- GitHub: <https://github.com/ZeLeaj/GotCooked>

SKILLS

- **Programming Languages:** C++, Python, Java, C, SQL
- **Libraries & Frameworks:** JavaFX
- **Tools & Software:** Git, Visual Studio Code, Eclipse, Figma, IntelliJ IDEA, Digital , PostgreSQL , Vivado
- **Languages:** Thai,English

EXTRACURRICULAR ACTIVITIES

CP Core team 2026 | Academic team

Feb 2026 - Present

- **Conceptualized and developed** an interactive engineering workshop for **Intania Open House 2026**; facilitated hands-on sessions and **technical demonstrations** to **simplify complex academic concepts** for prospective students.

CP Olympics 2026 | Computer Competition

Dec 2025 - Feb 2026

- **Managed 2–3 concurrent** e-sports matches, monitoring live gameplay, **reporting real-time issues**, and **coordinating fixes**.

CP Link | Activity

Oct 2025 - Nov 2025

- Managed **speaker sessions** with continuous **improvements** driven by **weekly participant feedback**.
